Dedication

We, the Seniors of '81, are proud to dedicate our annual, the 1981 Blackhawk, to Mrs. Dolores Joyce.

During the twenty years she has been here, she has taught drama, English, and psychology. We have enjoyed her teaching us through our high school years. Besides teaching, she has directed fifty one-act plays and sixteen class plays. We consider it an honor to be the last cast directed by her.

We hope she enjoys her retirement, but she will be missed by many students and faculty. We were lucky to have her as a teacher before she retired.

As we look back upon our memories of S.H.S., we are thankful for her help and concern that she has given to each one of us.

To you, Mrs. Dolores Joyce, we would like to dedicate our yearbook with deepest admiration and gratitude.

The 1981 Homecoming Queen and Her Court

The Sandoval High School held their twentieth annual Homecoming on February 14. The theme for this year was "A Valentine Celebration," which centered around the last five Homecomings.

After the mistress of ceremonies, Margarite Lammers, recognized the retired queens and the alumni, the ceremonies began. As each girl and her escort were introduced, the fashion commentator, Missy Hoffmann, described each girl's dress in detail.

Next came the entertainment which brought back memories of years past. After the entertainment Theresa Oehmke was crowned Homecoming Queen. Music was provided by Rock-n-Rye for the dance after Homecoming.

Special thanks to the Student Council for the excellent job they did to make the 1981 Homecoming a success.

Back Row: Mrs. Cofer, Sponsor; Beth Jourdan, Secretary; Ron Wood, Treasurer; Theresa Oehmke, Reporter; Mr. Wood, Sponsor.

Senior Class History

The "Class of 81" entered Sandoval High in 1978. Our class sponsors were Mr. Chontofalsky and Mrs. Gibbons. We elected our class officers: Ron Wood, president; Tracey Sprehe, vice-president; Mel Moore, secretary; Margarite Lammers, treasurer. As our Student Council members we chose Todd Bosler, David Gore, Holli Hyde and Julie Jourdan. We did many things our freshman year such as yelling at the pep rallies and working on the float, "It's the Great Pumpkin, Charlie Brown."

In 1979 we became sophomores. We elected our class officers for our sophomore year. They were Todd Bosler, president; Eddie Koehler, vice-president; Tracey Sprehe, secretary-treasurer; and Margarite Lammers, reporter. Our Student Council members were Tracey Sprehe, Jennifer Beckmann, David Gore, and Ron Wood. Our class sponsors were Mrs. Baysinger and Mr. Gambetta. We worked on the float, "Cinderella." Also we ordered our class rings, and best of all, we were getting our driver permits.

Our junior year was really exciting. Our class sponsors were Mr. Wood and Mrs. Cofer. Officers were chosen as follows: David Gore, president; Tracey Sprehe, vice-president; Beth Jourdan, secretary; Ron Wood, treasurer; Beth Brown, reporter. We also chose our Student Council representatives. They were Missy Hoffmann, Tracey Sprehe, Ron Wood, and David Gore. We received our class rings in September. Our money-making projects were raffling cakes at the home ballgames, selling candy bars, and presenting a class play, "Off the Track." All were very successful. We also won most of the intramural games with a little help from the Sophomore Class. Chuck Wagon was the float we worked on this year. Our Junior-Senior prom was filled with exciting moments as the Southern Illinois Audio played the theme song "Still." The colors were pink and burgundy.

Our last year, we were Seniors. Our sponsors once again were Mr. Wood and Mrs. Cofer. Class officers were Margarite Lammers, president; Missy Hoffmann, vice-president; Beth Jourdan, secretary; Ron Wood, treasurer; Theresa Oehmke, reporter. Our Student Council president was Tracey Sprehe and our representatives were Missy Hoffmann, Jennifer Beckmann, Ron Wood and John Evans. "Love is . . . Sharing" was our float this year. We had our paper drives, concession stand, sold magazines and fruit, and had a class play for our projects to help us get to Florida. The juniors had a prom for us this year with Cross Fire playing the theme song. The colors were light and dark purple and white.

Our graduation was May 29, 1981. We left for Florida in the first week of June.

The "Class of 81" would like to thank the administration, faculty, and staff of Sandoval High for helping through the years.

They were cheered on at pep rallies by Julie Murray, Marsha Lippert and Kathy Maas, the three junior cheerleaders. The Juniors were successful in winning the Spirit Stick three times this year.

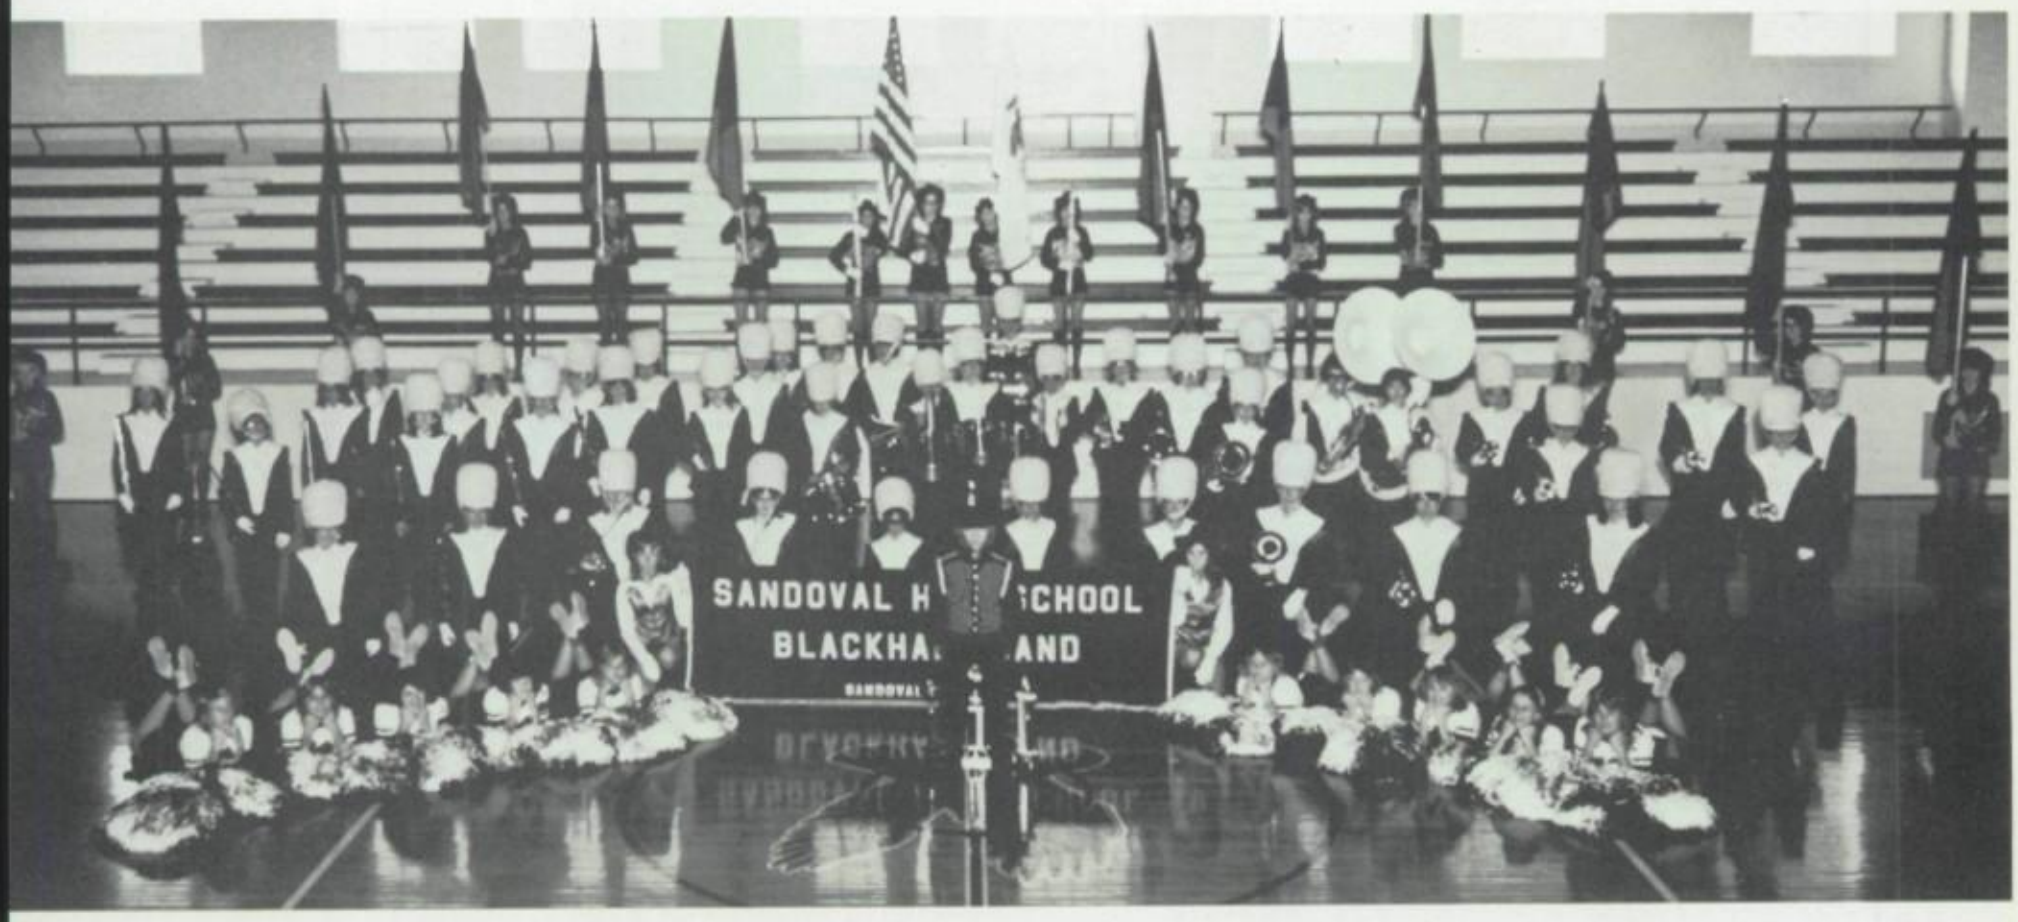
JOURNALISM

This year the Journalism class was a large, cooperative, active class. There were thirteen seniors and ten juniors. At the first of the year, the students were engaged in selling ads to support our annual.

Each month two students were editors of the monthly school newspaper. Everyone took part in creating the '81 Annual.



This year was the first time the Sandoval Blackhawk Band won three spectacular first place trophies at St. Elmo, Salem, and Vandalia. They also marched in Centralia and Sandoval as the years before.

The pep band played at all the home games while the flag girls performed for the Blackhawk fans.

This year seven members of the band went to the Solo and Ensemble Contest on March 7. A quartet consisting of Danny DeKalb, Margarite Lammers, Kenny Wood, and Michelle Grasher received a first. A trio consisting of Luke Hofstetter, Danny KeKalb, and Tony Parker received a second. Michelle Grasher and Keith Resch made up a trumpet duet and won first place. Luke Hofstetter took a solo and won first place. Keith Resch also took a solo and won a third. On April 11 the full band went to Freeburg for their last contest of the year and won a first.

They held a Christmas concert on December 17. On May 4, 1981, they attended the Tri-Country Festival in Patoka, Illinois. At that Festival all of the area school bands combined and played that day. They performed that night for the community. To end up the concert season they held a spring concert in May.

The band accompanied the graduates as they walked up the aisle and played for the entertainment of the relatives and friends.

The band raised money by selling popcorn and fruit, which was successful. The money went toward their trip to Six Flags and for new uniforms.

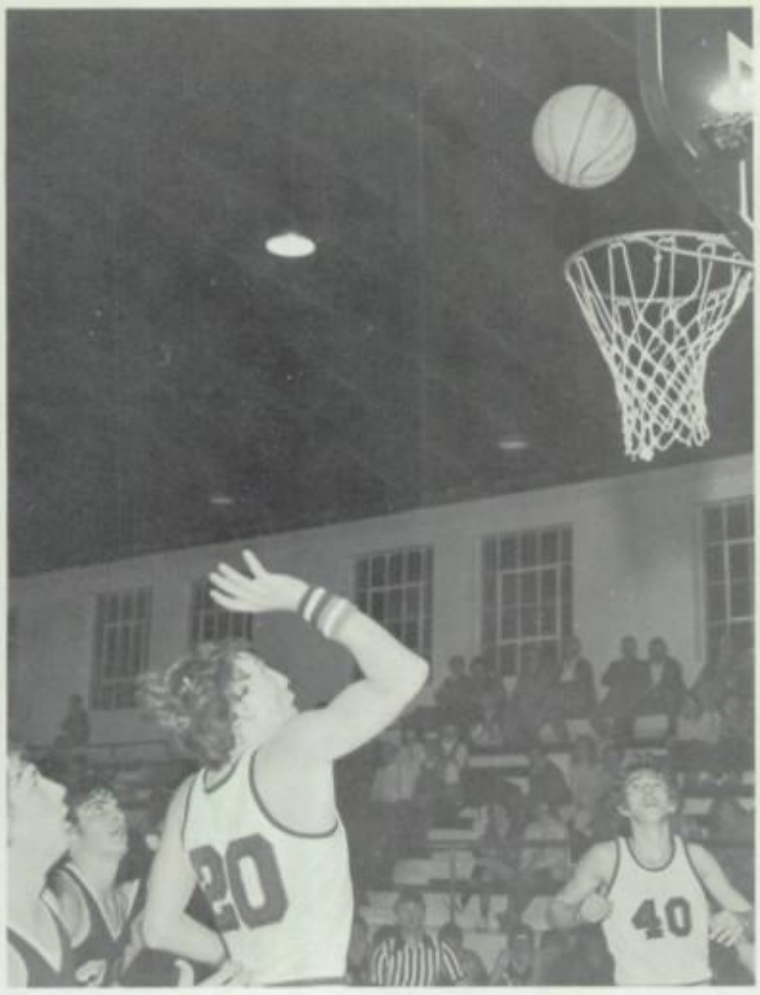
The Sandoval Blackhawks ended a great year of basketball by combining an 18-6 record at the varsity level and a 17-1 record in the JV level.

The Blackhawks also won the conference title for the first time since the 1960-61 season. The JV won the conference for the fourth year in a row.

There were a few records broken this year as senior David Finney pushed aside the old scoring record held by Joe Ramsey who graduated in 1961 and who is now the head coach at Milliken University in Decatur. The old record of 1626 points was topped by Finney with 1704. Another record which was broken was the game scoring record. It stood at 113 points until the Hawks scored 119 in the game against Witt.

The Hawks are looking forward to another great year as they have a lot of good young players with talent and ability returning.



Oh, Tony, what a shot!!!

Here's how you do it, Coach.

What do I do now?!?!

Now guys, don't beat them too bad.

The 1980-81 season was the year of the Blackhawk. The Blackhawk cheerleaders were preparing for wonderful season. They attended camp at Normal, IL., where they worked hard and practiced and com peted to win 1 Super Squad, 2 Excellent and 11 Superior ribbons. In addition, they brought home the Spir Stick which showed they had the most spirit at camp. They accompanied the band in parades and the ban accompanied them in pep rallies. The rallies and parades were both successes.

During the season the girls planned for the EI Conference Tournament to be held at home. The squa entertained the crowd between the tournament games. They were wonderful hostesses to the othe squads. Michelle Grasher was the new SUPER HAWK. She kept the crowd rowdy and ready to cheer th team on. This *was* the year of the Blackhawk!!!

"Our team is Gr-gr-gr-great!!!"

The 1980-81 Blackhawk softball team was the best Sandova has ever had. This was the sport that had the most improvemen in the athletic program, thanks to the new athletic director, Ja Baysinger. With new uniforms, it gave the team a better attitud and it proved to help the team as they had the best season eve in softball. They got more recognition and the girls appreciate all the fans that showed up to cheer them on to victory.

Next year, the girls plan on being better yet. So Congratula tions on a great season and good luck on the years to come!!!

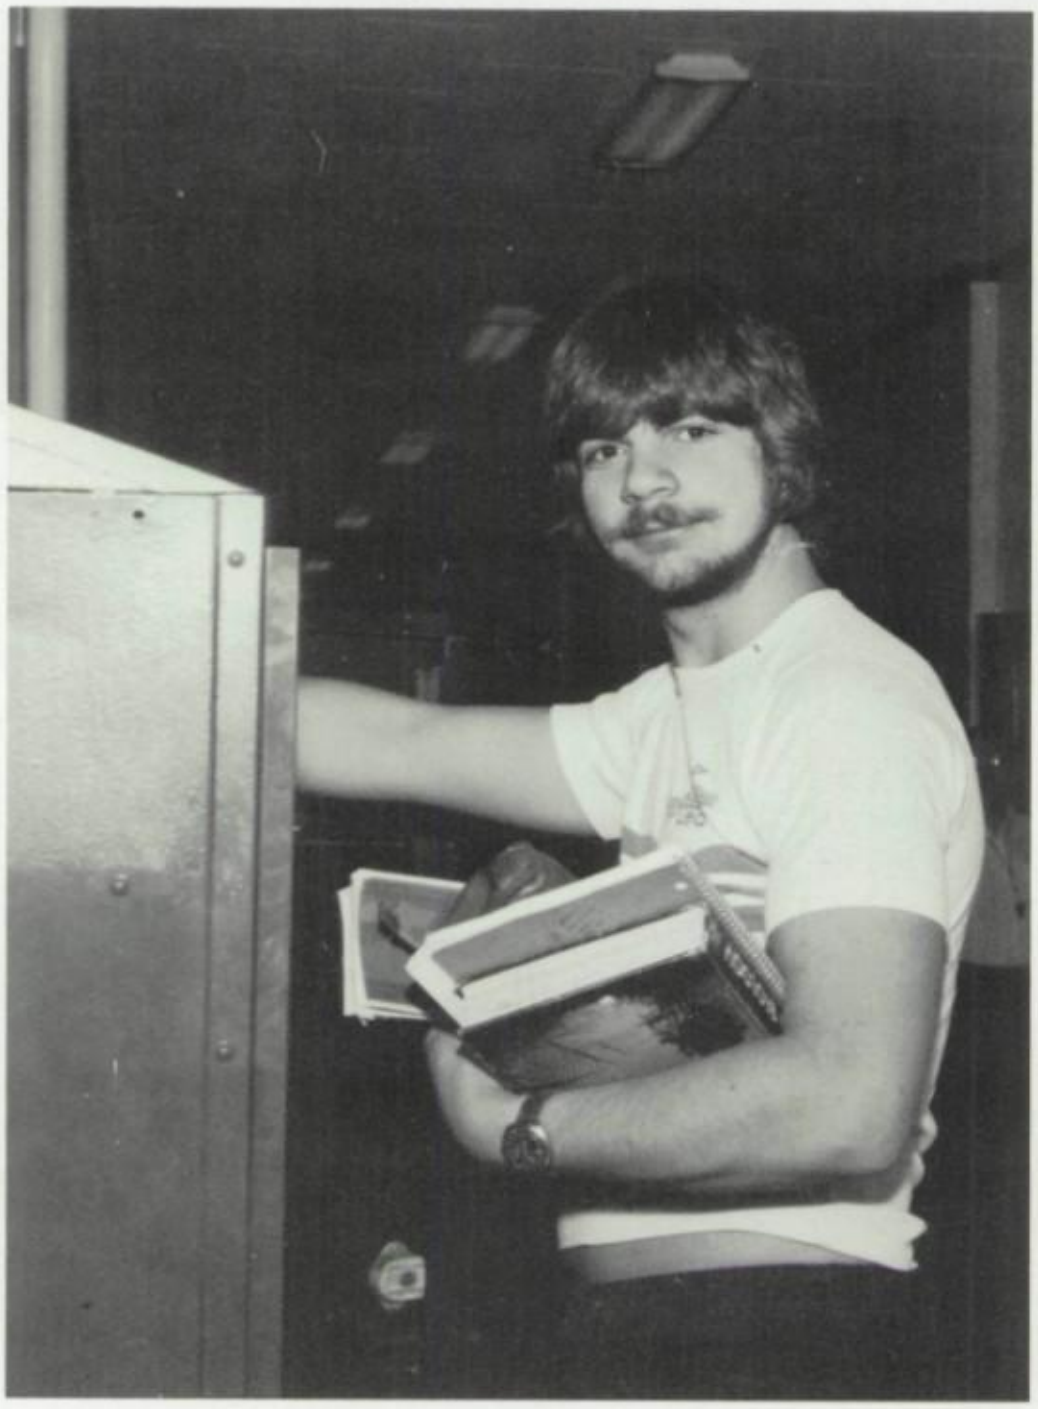
Our Exchange Student — Luke



Luke Hofstetter came to Sandoval during the second semester this year as an exchange student from Switzerland. He has seen and learned much during his visit by being one of us rather than just a tourist. Here is his message to the students of Sandoval High School.

I'd like to thank you for what you did to me. I've been here unfortunately a too short time to know every one of you but I had a lot of fun with those I had luck to go with. I'd like to put the "traveling seed" in you people because I came over here and I go back with a lot of things I learned here, like other values, another way of life, or thinking. That is an experience everybody should do once in their life. By that way, I've learned how to appreciate my country, how to love my family (It's no big deal to leave them, I said when I left, but home is home!), I can tell you that right now!! I had hard times as much as fun times but it always brought something positive to me. I found a bit more of myself.

If you come over some day, what I wish every one of you guys could do, you know where to find me. So drop by any time. You'll be more than welcome.

Travel. Meet people. Discover other areas in the world, other ways of life. We all are under the same sun. So please, "Go Away!"
